

How to sync the school email to your mobile phone

Description

Step-by-step setup

1. Open the app

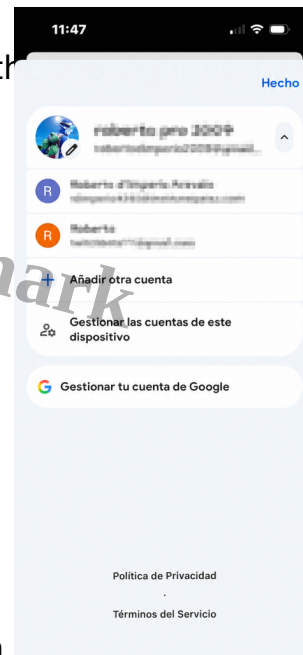

- Open the **Gmail** app on your mobile device.

2. Go to account management

- Tap your photo or **profile** icon, located in the top left corner of the screen.

3. Start adding the new account

- Select the **"Add another account"** option.

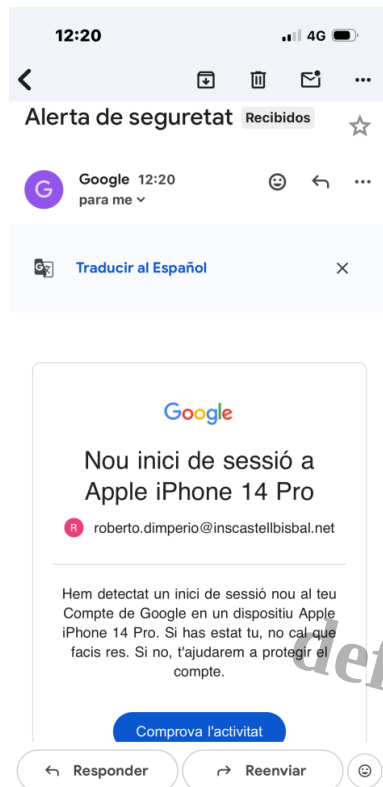

4. Enter your credentials

- Enter your school email address and your password when the screen asks for them.
- Fill in the rest of the required details by following the instructions that appear on the screen.

5. Confirmation

- Once the process is complete, the account will be linked and you will have access to your school email from your phone.
